At I&A Headquarters: SLTT Fellows will work alongside I&A employees and participate in a two-year education, training, and field application in an intelligence enterprise function area designed to increase collaboration between DHS and SLTT partners, bridge gaps and foster relationships at the Fusion Centers for information and intelligence sharing.

Eligibility

This fellowship is available for current employees in a mid-to senior level from a SLTT agency that possess a working knowledge of the terrorism and homeland security information needs of the SLTT partners. Applicant should have at least five years of experience:
- In one or more of the following areas: law enforcement, fire service, multiagency task forces, long-term investigations, public safety/health, intelligence, critical infrastructure, or information sharing/homeland security. First responder experience is highly desirable.
- Conducting research and analysis to product intelligence assessments for the SLTT community; interpreting investigative information and extrapolating data for analysis, evaluation, and dissemination to appropriate officials; and identifying trends and knowledge gaps relating to terrorist plans, intentions, and capabilities for the SLTT community. Fusion center experience is highly desirable.

Goals/Deliverables

Fellows will assist I&A in enhancing strategies for information and intelligence sharing and building capacity, then bring their fellowship experience back into the field. In addition, Fellows at both locations will also have the opportunity as part of this program to:
- Represent and advocate for SLTT information requirements.
- Identify information within the scope of the DHS Intelligence Enterprise that is of interest to SLTT partners.
- Gain practical experience and understanding of the relationship between national homeland security efforts and the Intelligence Community.
- Develop networking relationships.

All applications must be submitted electronically to IA.Fellows@hq.dhs.gov and will be reviewed at the end of each month for positions in the I&A Fellows Program. Please use I&A Fellows Program Application in the Subject Line.
- Résumé indicating employment and educational background.
- Letter of recommendation from your department or agency head, as applicable, acknowledging the time commitment associated with and support for participation in the 2 year program at I&A and the Fusion Center.
- Participation requirements addressing objectives for cross-training, SLTT perspective, strengthening of partnerships, and Fusion Center participation objectives.

Fellows who do not reside within reasonable proximity to Washington, DC will be provided temporary quarters in the Washington, DC metropolitan area. I&A will cover the following expenses:
- Travel costs and 75% of the Per Diem rate.
- Incidental/miscellaneous expenses.
- Lodging.
- Four (4) trips home per year to coordinate deliverables.

Application Process
